Edit Default Bills

The Software comes with a set of Default Bills.
To edit or delete these existing bills
click on the matching action icons.

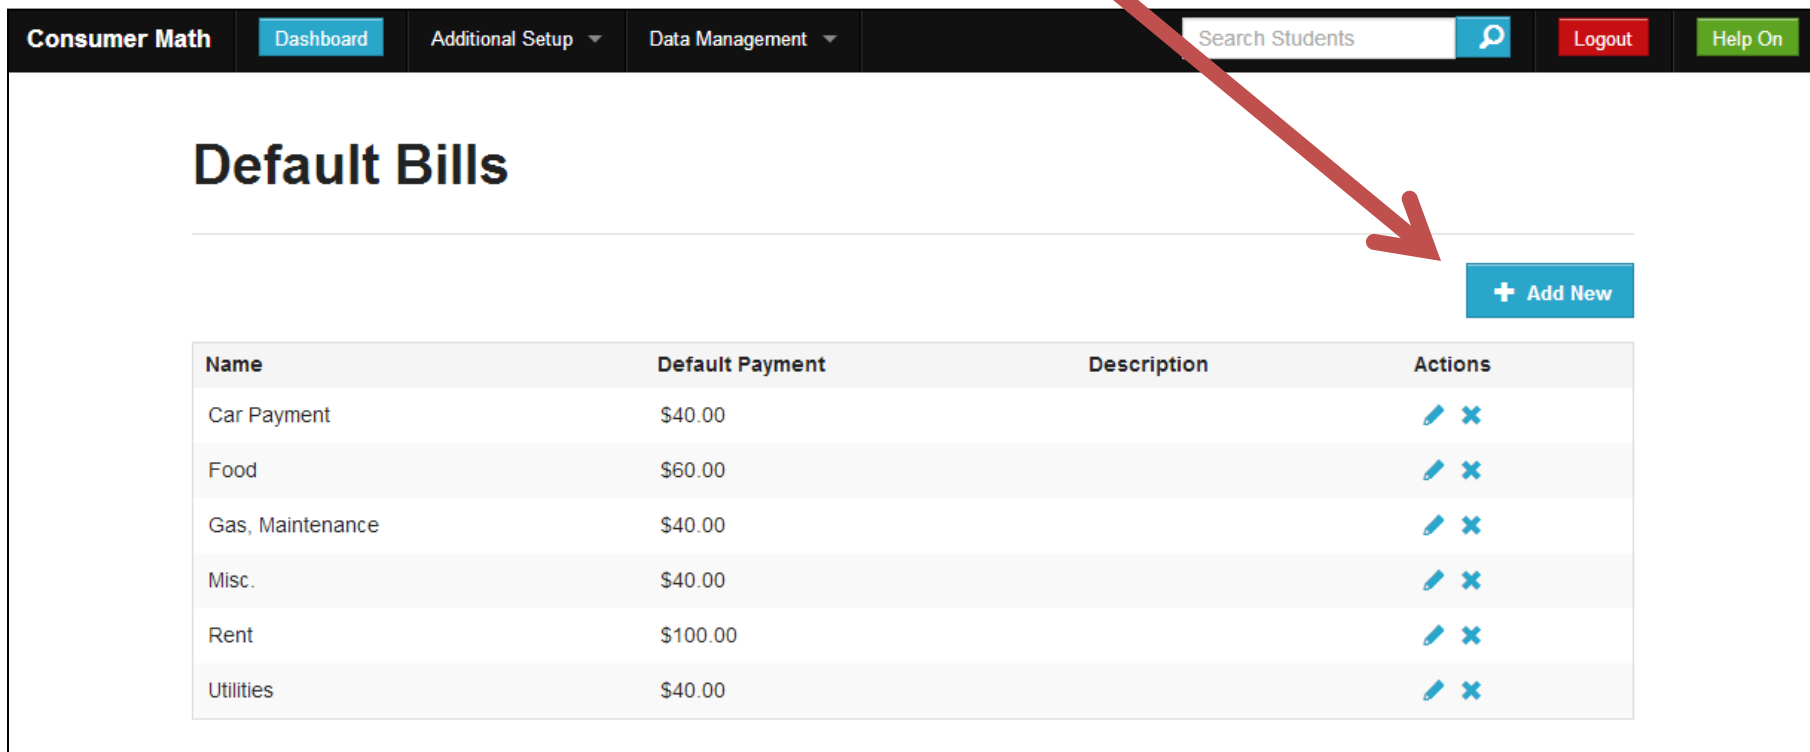

The screenshot shows the 'Default Bills' section of the Consumer Math software. The interface includes a navigation bar with 'Consumer Math', 'Dashboard', 'Additional Setup', and 'Data Management' menus, a search bar for students, and 'Logout' and 'Help On' buttons. The main content area displays a table of default bills with columns for Name, Default Payment, Description, and Actions. A red arrow points to the 'Actions' column, highlighting the edit and delete icons for each bill.

Name	Default Payment	Description	Actions
Car Payment	\$40.00		 
Food	\$60.00		 
Gas, Maintenance	\$40.00		 
Misc.	\$40.00		 
Rent	\$100.00		 
Utilities	\$40.00		 

Edit Default Bills

To add a new Default Bill, click on the “Add New” button.

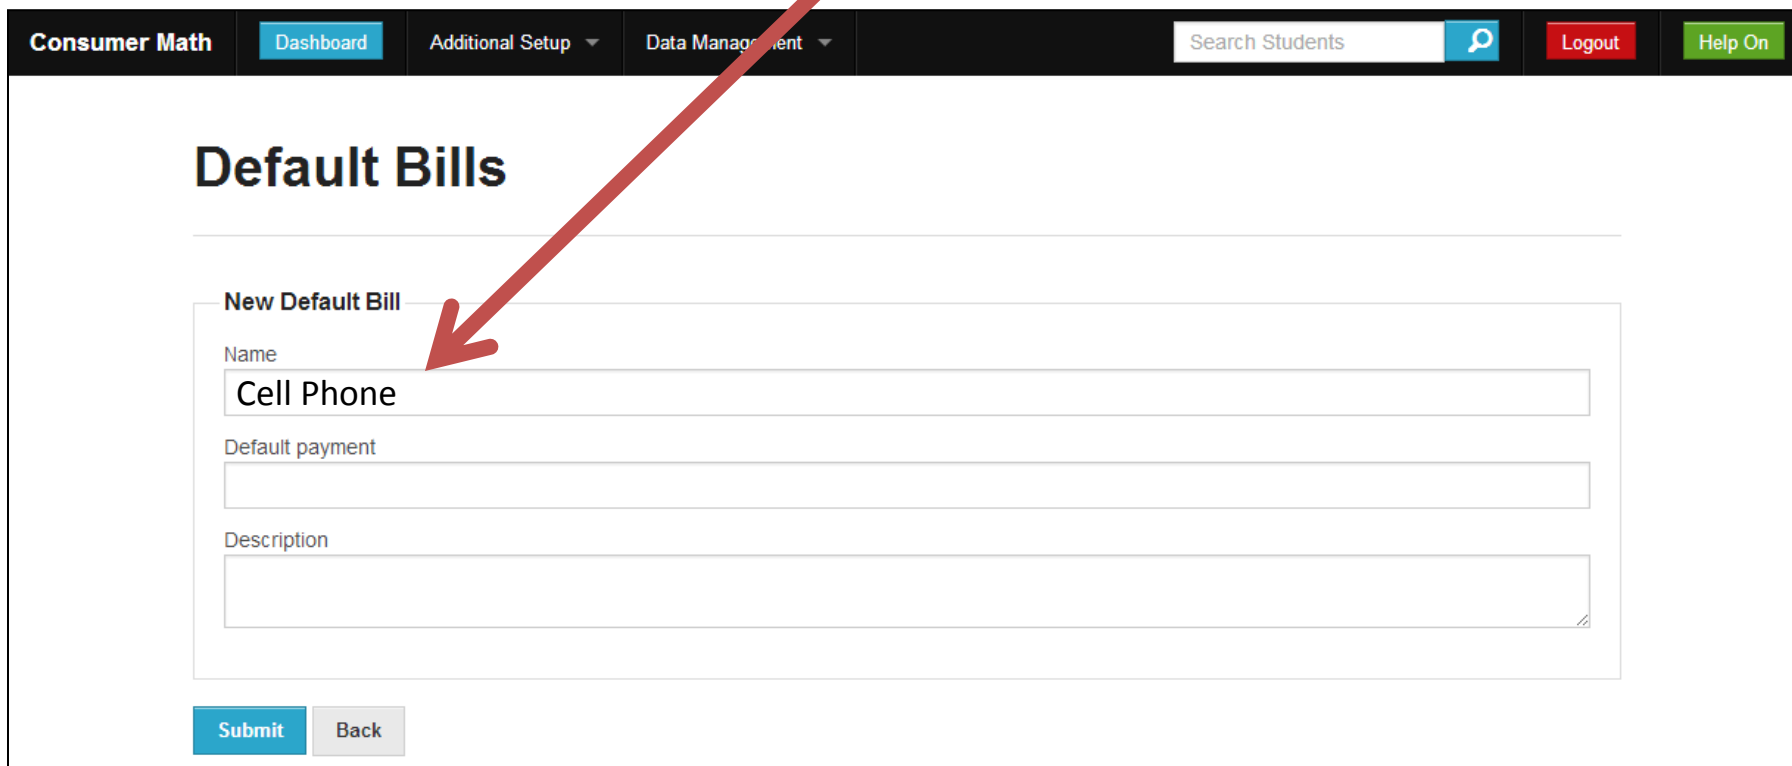

The screenshot shows the Consumer Math application interface. The top navigation bar includes "Consumer Math", "Dashboard", "Additional Setup", "Data Management", a search bar for "Search Students", "Logout", and "Help On". The main content area is titled "Default Bills" and features a table of existing bills. A blue button labeled "+ Add New" is located in the top right corner of the table area, with a red arrow pointing to it from the text above.

Name	Default Payment	Description	Actions
Car Payment	\$40.00		 
Food	\$60.00		 
Gas, Maintenance	\$40.00		 
Misc.	\$40.00		 
Rent	\$100.00		 
Utilities	\$40.00		 

Edit Default Bills

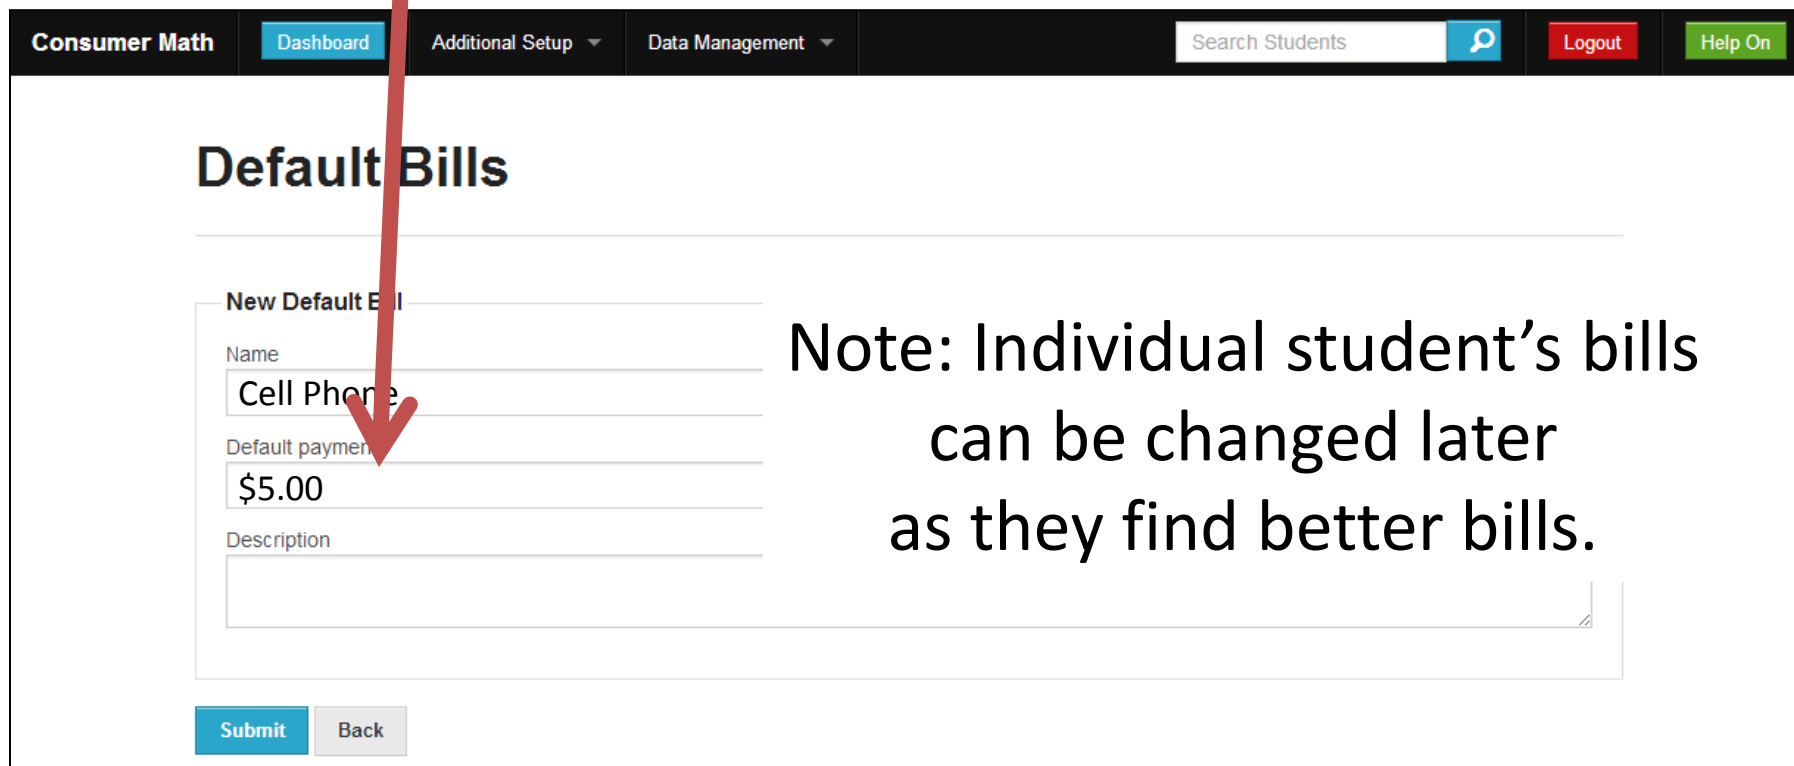

Name the bill with a **name** you will easily recognize.
Ex: Cell Phone

The screenshot shows the 'Default Bills' interface. At the top, there is a navigation bar with 'Consumer Math', 'Dashboard', 'Additional Setup', and 'Data Management'. A search bar labeled 'Search Students' and buttons for 'Logout' and 'Help On' are also present. The main heading is 'Default Bills'. Below it is a form titled 'New Default Bill' with three input fields: 'Name' (containing 'Cell Phone'), 'Default payment', and 'Description'. At the bottom of the form are 'Submit' and 'Back' buttons. A red arrow points from the text 'Ex: Cell Phone' above to the 'Name' field.

Edit Default Bills

The **Default payment** is the initial amount that will be charged to the students account each time you run bills. Set the bill a little high to encourage the students to find lower bills.

The screenshot shows the 'Default Bills' form in the Consumer Math software. The form includes the following fields:

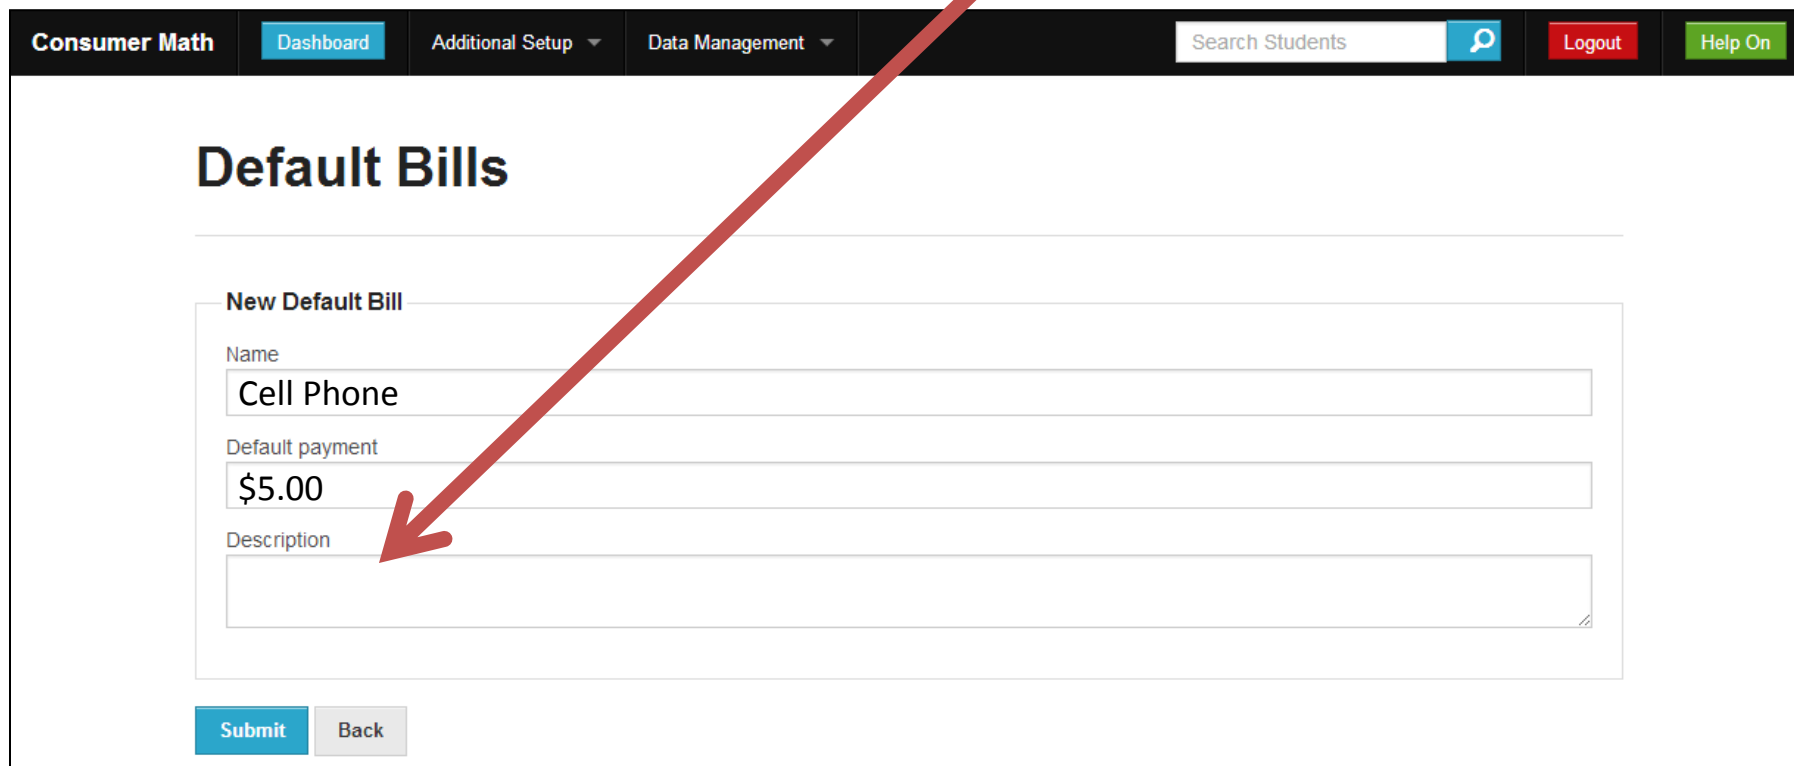

- Name:** Cell Phone
- Default payment:** \$5.00
- Description:** (Empty text area)

At the bottom of the form are two buttons: **Submit** and **Back**.

Note: Individual student's bills can be changed later as they find better bills.

Edit Default Bills

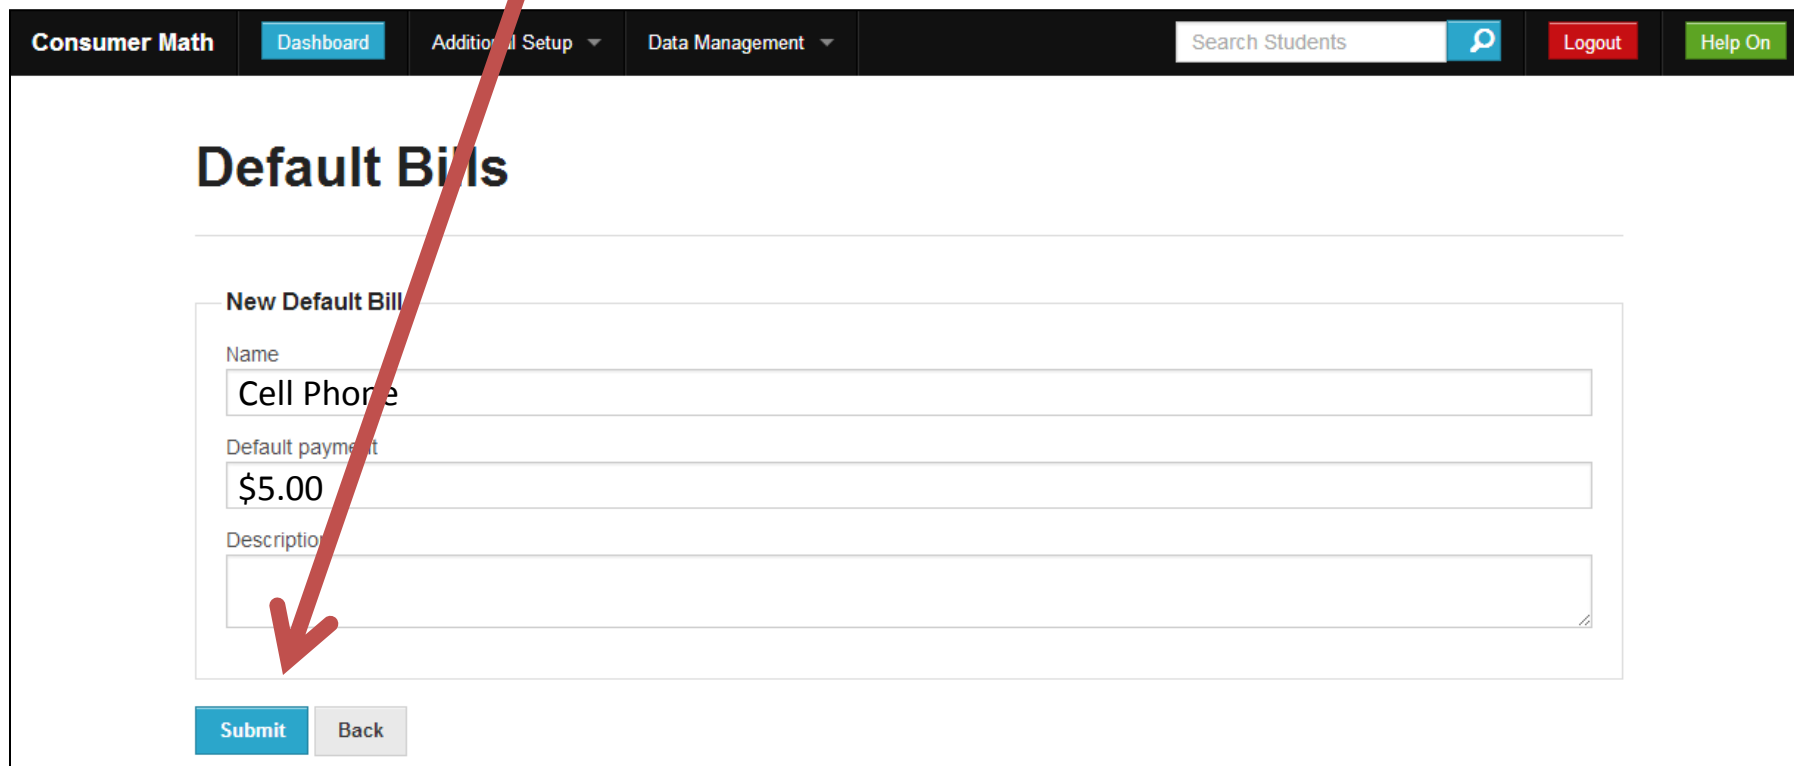

You do not have to enter a **description**.
But if you want to give a little more information about
the bill, this is the place to do it.

The screenshot shows the 'Default Bills' interface in the Consumer Math application. The top navigation bar includes 'Consumer Math', 'Dashboard', 'Additional Setup', 'Data Management', a search box for 'Search Students', 'Logout', and 'Help On'. The main content area is titled 'Default Bills' and contains a 'New Default Bill' form. The form has three input fields: 'Name' (containing 'Cell Phone'), 'Default payment' (containing '\$5.00'), and 'Description' (which is empty). A red arrow points to the 'Description' field. At the bottom of the form are 'Submit' and 'Back' buttons.

Edit Default Bills

Always **Submit** your entries to save them.
