

Playing the Stock Market

Name: _____

Date: _____

Enter what you start with, either stocks, money, or both. Each year, when you see the new price, record how many you want to buy or sell. Keep track of the totals in the right column. At the last year, you will sell all your stock and see how much money you have.

Year	Price	Action (Buy, Sell, Hold)	How many (or all)	Stock	Money
0					
1					
2					
3					
4					
5					
6					
7					
8					
9					
10		Sell	All		
Sell all you have. How much money did you end up with?
